

## **TO ALL PARK LAKE RESIDENTS**

### **IMPORTANT INFORMATION!!!**

We are fortunate this year to have one of our residents running for a council seat in Maitland. His name is **Michael Dabby** and he has lived in our community for many years. In the past he helped keep the wooded property on Grove Street undeveloped as designated by the City of Maitland to become a park in the future. For those of us who have lived here for many years, you know how important this is to our future in Park Lake and the battles we have faced in the past with the city to protect our community. His website is **[www.dabbyformaitland.com](http://www.dabbyformaitland.com)**.

It is so important that we vote for him in the next Maitland election so that we are not forgotten by the city. A donation to the campaign prior to the end of September would go a long way in enabling the campaign to successfully move forward. His website also accepts Paypal.

### **IMPORTANT**

On September 17<sup>th</sup> at 6:30pm there will be an important Planning and Zoning meeting at Maitland City Hall and we need as many people to attend as possible. **Two developers are trying to add more rental units then the city documents will allow therefore increasing the number of rentals. This will mean more crime, traffic and lake pollution. Dan Bellows has attempted to open Grove Street at the end to Monroe in the past. I fear he could raise this issue again.**

I have kept the community alerted in the past and will continue to do so.

Margaret Schellang/Resident of Park Lake

UNITS OF UP TO 55 per acre
